3. **VIDYASAGAR EYE CARE CENTRE** :- Due to COVID 19 restriction only two months April and May 2020 the centre was closed. After getting permission from Govt. centre was opened with only one doctor. Later on it became regular. Three Optometrists attended our O.P.D. Every Friday cataract and other minor operations were done by Dr. Sibram Maji.

(2)

In the reporting year we were able to do Total cataract operation – Free – 360, Paying – 722, other minor operations – 19. Total OPD patients were 6,622. Under NPCB (National Programme for Control Blindness) programme (Under Govt. of India) free cataract surgeries were done.

Besides this free eye screening camps were organized in different places under Purba Medinipur district following COVID 19 restriction.

4. **MAHATMA GANDHI SISHU SIKSHA SADAN:-** Due to lockdown the classes were continuing online process. It is very difficult for all students as everybody has not android set to avail this facility in a regular way. However, teachers have tried their best to continue this. The number of students has also been reduced due to this unusual situation.
5. **Remarks:-** In spite of COVID 19 and cyclone in our district, organization was able to continue it's regular activities. A good number of affected families have been served through our relief work and safe drinking water supply. During Covid – 19 when service of the Govt. Hospitals were limited, through our eye care centre we tried our best to provide regular eye care and operation services to the people of this district. We are grateful to our all doctors and health staff for their courageous service.

We extend our profound gratitude to all donors like DIZ – Germany, Rotary Club Of Haliburton, CANADA and Help A Village Effort (H.A.V.E.) – CANADA for their generous donation. At the same time we are grateful to our German volunteers, those who extended their support through DIZ.

We are grateful to Health Department of INDIA and West Bengal for extending support for the free cataract operation of the poor people of our area.
